

Friday 6th March 2026

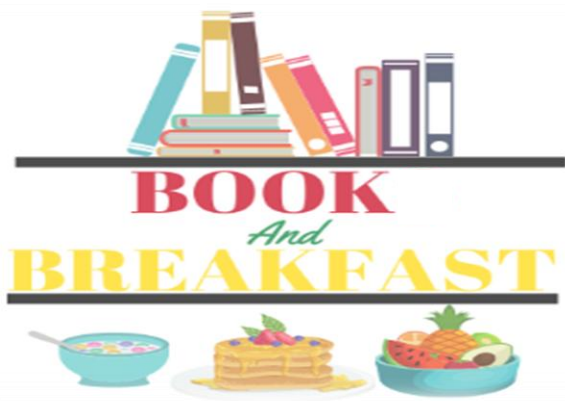

On Thursday we celebrated World Book Day and had a lovely time together!

The children enjoyed coming to school in their wonderful costumes and sharing their favourite stories with their friends. We spent the day reading lots of books, talking about our favourite characters, and taking part in fun activities inspired by the stories we love.

Thank you to all the families who supported the day and helped make it so special. It was fantastic to see the children so excited about books and reading!

Our Eco Warriors have been busy planting fruit trees that have been kindly donated by Ise Garden Centre.

BOOK
And
BREAKFAST

The graphic features a stack of colorful books at the top. Below the title, there are three illustrations: a bowl of cereal, a stack of pancakes with fruit, and a bowl of fruit.

Thank you to all the families who came to our Book and Breakfast mornings. It was so lovely to see everyone enjoying stories together and sharing a relaxed start to the day. We really appreciate you taking the time to join us, and we hope you had as much fun as we did!

We are excited to be running a TT Rockstars competition across Years 1-6, which will run until 27th March. Pupils are encouraged to log in and practise their times tables as much as they can during this time. It's a great opportunity to build confidence and speed while having fun with maths.

The winning class will receive a class reward, and the top scorers will be featured in our newsletter. We look forward to seeing which class and year group will come out on top!

LOOK what we're LEARNING!

4

For World Book Day, the children in EYFS had a wonderful time celebrating their love of stories and books. We shared some of our favourite stories together, enjoying listening to them being read and talking about the characters and events in the stories. The children then extended their learning through imaginative role play, acting out parts of the stories and bringing the characters to life through their play.

Year one love books and reading every day of the week. Today was extra special as we spent the whole day dedicated to reading related activities. We created artwork, made books, made reading dens and lots of sharing books while laying on the cushions and blankets.

Year 2

In Year 2 the children enjoyed sharing their favourite stories with their friends and talking about the characters they love. One of our special activities was creating our own little story time. The children chose a book, looked at the pictures together, and used their imagination to talk about what might be happening in the story.

YEAR 3

Year 3 have been celebrating their love of reading on World Book Day. We loved dressing up as our book characters and sharing our favourite books. We made bookmarks with book recommendations on them and posters which reflected where, how and what we love to read.

Year 4

Year 4 had a fantastic time celebrating World Book Day! The children enjoyed spending time in the school library, choosing books that inspired their curiosity and imagination. Pupils also answered questions about different books. It was a wonderful way to celebrate reading and develop their love of books!

Year 5

We had a wickedly fun time celebrating World Book Day in our class! The children looked fantastic in their costumes and loved sharing their favourite stories. Our Wicked theme brought lots of magic to the day as we enjoyed reading, activities and plenty of book talk together. It was wonderful to see everyone's creativity soar!

YEAR 6

It was brilliant to see the children so engaged and enthusiastic about reading. They not only celebrated the joy of books but also explored teamwork, imagination, and creative thinking through a variety of activities. Each activity encouraged collaboration, discussion, and creativity, making the day both fun and educational.

CONGRATULATIONS

Our Mission Team led the praying of the Holy Rosary and warmly invites all children to come and pray every Tuesday from 12:00 to 12:45 PM during the holy season of Lent.

We invite you to Pray this Prayer together as a family.

Dear Jesus,

Thank You for loving me so much.

This Lent, help me to be kind,

to share with others,

and to say "I'm sorry"

when I do wrong.

Teach me to pray,

to listen to You,

and to follow Your ways every day.

Amen.
