## Celebrating Our Headteacher's Induction Mass

We were delighted to celebrate our Headteacher's Induction Mass, a joyful and meaningful occasion that marked the beginning of a new chapter in our school community.

Staff, pupils, families, and parish members gathered together in faith, united in prayer and thanksgiving, as we officially welcomed our Headteacher into their role. The Mass was a beautiful reminder of our shared mission to grow in faith, knowledge, and service, and it highlighted the strong partnership between our school and the Church.

Through heartfelt readings, uplifting music, and a meaningful blessing, we asked God to guide and support our Headteacher in their leadership, inspiring all of us to continue living out our values each day.

What a fantastic day it was as our pupils came into school for Comic Relief! Laughter and fun filled the corridors as children and staff alike embraced the spirit of the day, raising awareness and funds to support those in need.

Together, we not only had a great time but also contributed to a truly important cause.

## Year 5 Easter Play

The Year 5 Easter play was truly moving, touching the hearts of everyone who watched. The children performed beautifully, and Mrs Hine did an amazing job bringing the story to life! The play reminded us of the true meaning of Easter - Jesus' love, His sacrifice, and the joy of His resurrection.

## SHOW YOUR TALENT

Bartek proudly shared his impressive collection of medals, earned through his achievements in go-kart racing, Judo, the 6K Wolf run, and climbing.

Iona proudly received her medal and certificate for successfully completing all the requirements for Badge 1.

LOOK what we're  
LEARNING!

In EYFS we enjoyed our little trip to the woods to help us enhance our English learning all about how to write a recount - we are using the images from the trip to help us remember what we saw, heard and found!

Our Woodland Adventure!

Year 1

We created our own prayer.  
Our Father,  
Who loves us so much,  
Help us to love our families,  
Help us to forgive each other,  
Helps us when things get hard.  
Amen.

Year One have been learning about the Easter story and how it is celebrated in other countries.  
We created our own pictures using coloured chalk all about the story of Jesus, his life, death and resurrection.

# Year 2

In Year 2, the children have been designing and creating their own chairs for a teddy bear! We have been looking into which materials will be the strongest and most suitable.

Year 3 have been using their knowledge of castles to design and build their own castle using 3D shapes. They worked in groups and demonstrated fantastic team work in order to construct a complex structure from geometric shapes.

# Year 4

This week, Year 4 have been busy designing and creating their own pavilions. Using materials such as straws, lolly pop sticks, pipe cleaners and a range of other construction resources, the children worked collaboratively to plan and build stable structures. They thought carefully about shape, strength and how different materials could support their design ideas. It has been wonderful to see their creativity, problem-solving skills and teamwork shine through as their pavilions came to life!

# Year 5

This week, our class has been working incredibly hard preparing for our Easter play, which focused on the crucifixion of Jesus. The students showed great dedication and maturity as they brought such an important and meaningful story to life. Their performances were thoughtful, respectful, and full of confidence. They truly did an amazing job, and I couldn't be prouder of their effort and teamwork.

# YEAR 6

Our DT topic this term is all about following a design brief for a purpose. We were challenged with designing a shop window for a clothes or toy shop in a town centre. The design brief stated there should be an overall theme and there needed to be 3 moving parts using a CAMs mechanism. We drew our final designs on a large scale, annotated the different CAMs mechanisms and are going to present them to each other next week.

Heavenly Father,

We celebrate this joyful day as we welcome our  
Headteacher into her new role.

Bless her with wisdom, patience, and courage  
as she leads our school with faith, hope, and love.

May she inspire all of us to grow in knowledge, kindness,  
and service,

and may Your light shine through her words and actions.

Give her strength in challenges, joy in successes,  
and always remind her that she is never alone,  
for You walk with her every step of the way.

We ask this through Christ our Lord.

Amen.

It was lovely today as we joined other children in faith through a live link to Pray the Stations of the Cross with The Mark 10 Mission. Together, we journeyed with Jesus on His path to Calvary, reflecting on His love, sacrifice, and mercy. It was a moving and meaningful way to grow closer to Him during this holy season

How's your **Lenten Calendar** going? Each little prayer, kind deed, or good choice brings us closer to Easter. Keep up the great work and enjoy the journey with Jesus!
